Tangerang Regency, Banten 15334

Digital Journalism student and Director of Photography with a primary focus on camera operation, videography, and photojournalism. Skilled in capturing visual narratives, field audio, and fast-paced event documentation, with practical experience in offline editing. Quick to adapt to new technical setups and on-the-spot problem-solving, eager to contribute audio-visual and mobile journalism skills to a broadcast media house and willing to learn live radio production workflows.

EDUCATION

Universitas Multimedia Nusantara *Aug 2024 – Present*
Majoring in Digital Journalism, Communication Faculty – Tangerang, Banten

SMA Katolik St. Louis 1 Surabaya *Jul 2021 – Jun 2024*
Science, High School Diploma – Surabaya, East Java

EXPERIENCE

Director of Photography & Production Strategist *Mar 2026 – Present*
Harwacara Media – South Jakarta, Jakarta

- Directed visual and technical execution for audio-visual digital podcast productions featuring influential national and international figures, including ambassadors and politicians.
- Managed field audio recording and supplied personal camera and sound gear to ensure broadcast-ready visual and dialogue quality.
- Captured behind-the-scenes (BTS) footage and candid VIP interactions for short-form social media documentation.
- Served as a production strategist and trusted advisor to the executive producer, advising on channel growth, workflow adjustments, and creative direction to optimize media quality and content delivery.

Documentation Committee Member *Feb 2025 – Oct 2025*
UNITY 2025 – Tangerang, Banten

- Filmed and offline-edited the promotional trailer and opening video for UNITY, an English competition hosted by UMN English Student Council.
- Captured comprehensive event-day photography and videography, ensuring complete visual coverage of MCs, participants, and brand sponsors.
- Supplied raw footage to the editor under tight deadlines to produce the event's closing recap video.

Director of Photography & Lighting Director *Jan 2024 – Mar 2024*
The Light of Java: Barnabas Sarikrama **(Theatrical Performance) – Surabaya, East Java**

- Produced, shot, and edited cinematic teaser and trailer videos from concept to final cut to build audience anticipation ahead of the live show.
- Executed cast photo shoots and color-graded raw portraits for official poster designs.
- Designed and selected distinct lighting sequences to match the mood and pacing of the theatrical narrative.
- Directed and called real-time stage lighting cues and sequence switches during live performances and practices.

Central Event Committee *Aug 2021 – Sep 2021*
St. Louis Exhibition Competition Talent 2021 – Surabaya, East Java

- Produced promotional teasers, trailers, and master broadcast videos for a national online competition with 539+ participants.
- Executed simulated-live (simulive) broadcasts to YouTube via OBS Studio for the Opening and Closing Ceremonies.
